

Small Business Reference Center - Browsing Popular Sources

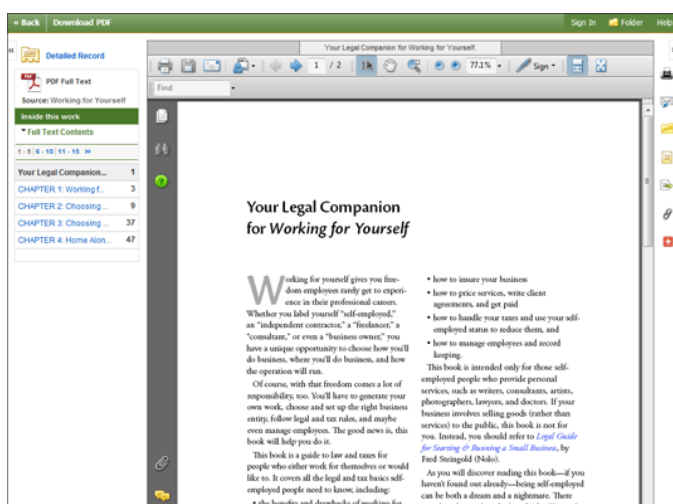

Small Business Reference Center allows you to browse popular sources from the Basic Search screen.

To Browse Popular Sources:

1. From the Basic Search screen, select a source from the list of available books. Browse the sources using the arrows on the left and right.

2. Select a chapter to read from the **Full Text Contents** menu on the left.

Note: For more information on using the PDF Full Text Viewer, see [PDF Full Text Viewer](#).
